

## 1. Product and Company Identification

www.rxmarine.com

Product Name POTASSIUM FORMATE

Part Number RXSOL-60-6655-050

### Company Details:

RX MARINE INTERNATIONAL  
105, A wing , BSEL , TECH PARK.  
VASHI ,NEW BOMBAY 400703 INDIA

Branch : Kandla, Mumbai , Chennai, Vizag, Kolkata, UAE , OMAN , CANADA and KENYA

Phone +91 22 20871200 - 1400

Fax +91 22 27612100 ::AOH :0091 9821214367

## 2. Composition / Information on ingredients

www.rxmarine.com

| Product name      | Cas No   | EC No     | Weight      | Formula           |
|-------------------|----------|-----------|-------------|-------------------|
| Potassium formate | 590-29-4 | 209-677-9 | 84,12 g/mol | CHKO <sub>2</sub> |

## 3. Hazards Identification

www.rxmarine.com

|                                            |                                                                                                                                                                                                                                                                                             |
|--------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Signal Word                                | No data available                                                                                                                                                                                                                                                                           |
| Hazard Statements                          | No data available                                                                                                                                                                                                                                                                           |
| Precautionary statements                   | No data available                                                                                                                                                                                                                                                                           |
| Classification of the substance or mixture | No data available                                                                                                                                                                                                                                                                           |
| Supplemental Hazard Statements             | No data available                                                                                                                                                                                                                                                                           |
| Other hazards                              | This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher. Contact with liquid or refrigerated gas can cause cold burns and frostbite. Lachrymator. |

## 4. First Aid Measures

www.rxmarine.com

|                                                                            |                                                                                                                     |
|----------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| General advice                                                             | No data available                                                                                                   |
| If inhaled                                                                 | If breathed in, move person into fresh air. If not breathing, give artificial respiration.                          |
| Eye Contact                                                                | Flush eyes with water as a precaution.                                                                              |
| Swallowed                                                                  | Never give anything by mouth to an unconscious person. Rinse mouth with water                                       |
| Skin Contact                                                               | Wash off with soap and plenty of water                                                                              |
| Inhalation                                                                 | No data available                                                                                                   |
| Ingestion                                                                  | No data available                                                                                                   |
| Most important symptoms and effects, both acute and delayed                | The most important known symptoms and effects are described in the labelling (see section 2.2) and/or in section 11 |
| Indication of any immediate medical attention and special treatment needed | No data available                                                                                                   |

## 5. Fire-fighting Measures

www.rxmarine.com

|                                                       |                                                                              |
|-------------------------------------------------------|------------------------------------------------------------------------------|
| Flammability                                          | No data available                                                            |
| Suitable extinguishing media                          | Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.     |
| Unsuitable extinguishing media                        | For this substance/mixture no limitations of extinguishing agents are given. |
| Special hazards arising from the substance or mixture | Carbon oxides Potassium oxides                                               |
| Further information                                   | No data available                                                            |
| Hazardous combustion products                         | No data available                                                            |
| Advice for firefighters                               | Wear self-contained breathing apparatus for firefighting if necessary.       |
| Protective Equipment                                  | No data available                                                            |
| Specific Hazards Arising from the Chemical            | No data available                                                            |

## 6. Accidental Release Measures

www.rxmarine.com

|                                                                     |                                                                                                   |
|---------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| Personal precautions, protective equipment and emergency procedures | Avoid dust formation. Avoid breathing vapors, mist or gas. For personal protection see section 8. |
| Spillage                                                            | No data available                                                                                 |
| Personal Protection                                                 | No data available                                                                                 |
| Environmental Precaution                                            | No data available                                                                                 |
| Methods and materials for containment and cleaning                  | Sweep up and shovel. Keep in suitable, closed containers for disposal                             |
| Reference to other sections                                         | For disposal see section 13.                                                                      |

## 7. Handling and Storage

www.rxmarine.com

|                                                             |                                                                                                             |
|-------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| Advice on protection against fire and explosion             | Provide appropriate exhaust ventilation at places where dust is formed.                                     |
| Incompatible materials                                      | No data available                                                                                           |
| Hygiene measures                                            | General industrial hygiene practice. For precautions see section 2.2.                                       |
| Advice on safe handling                                     | Work under hood. Do not inhale substance/mixture. Avoid generation of vapours/aerosols.                     |
| Conditions for safe storage including any incompatibilities | No data available                                                                                           |
| Storage conditions                                          | Store in cool place. Keep container tightly closed in a dry and well-ventilated place. strongly hygroscopic |
| Storage class                                               | No data available                                                                                           |
| Specific end use(s)                                         | Apart from the uses mentioned in section 1.2 no other specific uses are stipulated                          |
| Advice on general occupational hygiene                      | No data available                                                                                           |

## 8. Exposure controls and personal protection

www.rxmarine.com

|                     |                                                                                                                                                                                                                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Exposure controls   | Personal protective equipment                                                                                                                                                                                                                                                               |
| Engineering Control | No data available                                                                                                                                                                                                                                                                           |
| Eye/face protection | Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU). Safety glasses                                                                                                                                                |
| Body Protection     | Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific work-place., The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace. |

|                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

| Skin protection          | Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands. The selected protective gloves have to satisfy the specifications of Regulation (EU) 2016/425 and the standard EN 374 derived from it. Full contact Material: Nitrile rubber Minimum layer thickness: 0,11 mm Break through time: 480 min Material tested:Dermatril® (KCL 740 / Aldrich Z677272, Size M)Material: Nitrile rubber Minimum layer thickness: 0,11 mm Break through time: 480 min Material tested:Dermatril® (KCL 740 / Aldrich Z677272, Size M) data source: KCL GmbH, D-36124 Eichenzell, phone +49 (0)6659 87300, e-mail sales@kcl.de, test method: EN374 If used in solution, or mixed with other substances, and under conditions which differ from EN 374, contact the supplier of the EC approved gloves. This recommendation is advisory only and must be evaluated by an industrial hygienist and safety officer familiar with the specific situation of anticipated use by our customers. It should not be construed as offering an approval for any specific use scenario. |
| Respiratory protection   | Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

|----------------------------------------------|------------------------------------------------------------------|
| Physical state                               | Crystalline                                                      |
| Colour                                       | White                                                            |
| Odour                                        | No data available                                                |
| Odor Threshold                               | No data available                                                |
| pH                                           | No data available                                                |
| Melting Point                                | 165 - 168 °C                                                     |
| Boiling Point                                | > 167 °C - Decomposition                                         |
| Flash Point                                  | No data available                                                |
| Evaporation Rate                             | No data available                                                |
| Flammability (solid, gas)                    | No data available                                                |
| Explosive limits                             | No data Available                                                |
| Upper/lower flammability or explosive limits | No data available                                                |
| Autoignition temperature                     | > 400 °C                                                         |
| Decomposition temperature                    | No data available                                                |
| Vapour pressure                              | No data available                                                |
| Viscosity                                    | No data available                                                |
| Density                                      | No data available                                                |
| Relative Density                             | 1,91 at 20 °C                                                    |
| Specific Gravity                             | No data available                                                |
| Partition coefficient                        | log Pow: -1,999 at 20 °C                                         |
| Explosive properties                         | No data available                                                |
| Solubility                                   | 1.000 g/l at 20 °C - OECD Test Guideline 105- completely soluble |
| Ignition temperature                         | No data available                                                |
| Particle characteristics                     | No data available                                                |

## 10. Stability and reactivity

[www.rxmarine.com](http://www.rxmarine.com)

|            |                   |
|------------|-------------------|
| Reactivity | No data available |
|------------|-------------------|

|                                    |                                                                                       |
|------------------------------------|---------------------------------------------------------------------------------------|
| Chemical stability                 | The product is chemically stable under standard ambient conditions (room temperature) |
| Possibility of hazardous reactions | No data available                                                                     |
| Conditions to avoid                | No data available                                                                     |
| Incompatible materials             | Strong oxidizing agents                                                               |
| Hazardous decomposition products   | In the event of fire: see section 5                                                   |

## 11. Toxicological information

| Skin corrosion/irritation                        | No data available                                                                                                                                              |
| Serious eye damage/irritation                    | No data available                                                                                                                                              |
| Respiratory or skin sensitization                | No data available                                                                                                                                              |
| Carcinogenicity                                  | IARC: No ingredient of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC. |
| Germ cell mutagenicity                           | No data available                                                                                                                                              |
| Reproductive toxicity                            | No data available                                                                                                                                              |
| Specific target organ toxicity - single exposure | No data available                                                                                                                                              |
| Additional Information                           | To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated                                       |

## 12. Ecological information

[www.rxmarine.com](http://www.rxmarine.com)

|                                                     |                                                                                                                                                                                                                                                            |
|-----------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Persistence and degradability                       | Biodegradability aerobic - Exposure time 28 d Result: 92 % - Readily biodegradable. (OECD Test Guideline 301D)                                                                                                                                             |
| Toxicity to fish                                    | Semi-static test LC50 - <i>Oncorhynchus mykiss</i> (rainbow trout) - 3.500 mg/l - 96 h (OECD Test Guideline 203)                                                                                                                                           |
| Toxicity to daphnia and other aquatic invertebrates | No data available                                                                                                                                                                                                                                          |
| Toxicity                                            | No data available                                                                                                                                                                                                                                          |
| Toxicity to bacteria                                | No data available                                                                                                                                                                                                                                          |
| Toxicity to algae                                   | Static test EC50 - <i>Skeletonema costatum</i> (marine diatom) - 3.700 mg/l - 72 h (ISO 10253)                                                                                                                                                             |
| Products Biodegradation                             | No data available                                                                                                                                                                                                                                          |
| Mobility in soil                                    | No data available                                                                                                                                                                                                                                          |
| Results of PBT and vPvB assessment                  | This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.                                                         |
| Endocrine disrupting properties                     | The substance/mixture does not contain components considered to have endocrine disrupting properties according to REACH Article 57(f) or Commission Delegated regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 at levels of 0.1% or higher |
| Other adverse effects                               | No data available                                                                                                                                                                                                                                          |

## 13. Disposal considerations

[www.rxmarine.com](http://www.rxmarine.com)

|                        |                                                                           |
|------------------------|---------------------------------------------------------------------------|
| Product                | Offer surplus and non-recyclable solutions to a licensed disposal company |
| Contaminated packaging | Dispose of as unused product.                                             |
| Waste treatment Method | No data available                                                         |

## 14. Transport information
