## 3. Hazards Identification

www.rxmarine.com

### Classification of the substance or mixture

Classification under CLP Skin Corr. 1A: H314  
Most important adverse effects Causes severe skin burns and eye damage.

### Label elements

Signal word Danger  
Hazard Statements H314: Causes severe skin burns and eye damage.  
Precautionary Statements P280: Wear protective gloves.  
P301+330+331: IF SWALLOWED: rinse mouth. Do NOT induce

vomiting.

P303+361+353: IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.

P304+340: IF INHALED: Remove person to fresh air and keep comfortable for breathing.

P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

This product is not identified as a PBT/vPvB substance.

PBT

## 4. First Aid Measures

[www.rxmarine.com](http://www.rxmarine.com)

### Description of first aid measures

Skin contact

Remove all contaminated clothes and footwear immediately unless stuck to skin. Drench the affected skin with running water for 10 minutes or longer if substance is still on skin. Transfer to hospital if there are burns or symptoms of poisoning.

Eye contact

Bathe the eye with running water for 15 minutes. Transfer to hospital for specialist examination.

Ingestion

Wash out mouth with water. Do not induce vomiting. Give 1 cup of water to drink every 10 minutes. If unconscious, check for breathing and apply artificial respiration if necessary. If unconscious and breathing is OK, place in the recovery position. Transfer to hospital as soon as possible.

Inhalation

Remove casualty from exposure ensuring one's own safety whilst doing so. If unconscious and breathing is OK, place in the recovery position. If conscious, ensure the casualty sits or lies down. If breathing becomes bubbly, have the casualty sit and provide oxygen if available. Transfer to hospital as soon as possible.

Most important symptoms and effects, both acute and delayed

Skin contact

Blistering may occur. Progressive ulceration will occur if treatment is not immediate.

Eye contact

Corneal burns may occur. May cause permanent damage.

Ingestion

Corrosive burns may appear around the lips. Blood may be vomited. There may be bleeding from the mouth or nose.

Inhalation

There may be shortness of breath with a burning sensation in the throat. Exposure may cause coughing or wheezing.

Delayed / immediate effects

Immediate effects can be expected after short-term exposure.

## 5. Fire-fighting Measures

[www.rxmarine.com](http://www.rxmarine.com)

### Extinguishing media

**Extinguishing media**

Suitable extinguishing media for the surrounding fire should be used. Use water spray to cool containers.

**Exposure hazards**

Highly flammable liquid and vapor. Runoff to sewer may create fire or explosion hazard.

In a fire or if heated, a pressure increase will occur and the container may burst, with the

risk of a subsequent explosion. The vapor/gas is heavier than air and will spread along

the ground. Vapors may accumulate in low or confined areas or travel a considerable

---

distance to a source of ignition and flash back.

Highly flammable liquid and vapor. Runoff to sewer may create fire or explosion hazard.

In a fire or if heated, a pressure increase will occur and the container may burst, with the

risk of a subsequent explosion. The vapor/gas is heavier than air and will spread along

the ground. Vapors may accumulate in low or confined areas or travel a considerable

distance to a source of ignition and flash back.

Highly flammable liquid and vapor. Runoff to sewer may create fire or explosion hazard.

risk of a subsequent explosion. The vapor/gas is heavier than air and will spread along

the ground. Vapors may accumulate in low or confined areas or travel a considerable

distance to a source of ignition and flash back.

Corrosive. In combustion emits toxic fumes.

Wear self-contained breathing apparatus. Wear protective clothing to prevent contact with skin and eyes.

#### Advice for firefighters

## 6. Accidental Release Measures

[www.rxmarine.com](http://www.rxmarine.com)

#### Personal precautions

Notify the police and fire brigade immediately. If outside keep bystanders upwind and away from danger point. Mark out the contaminated area with signs and prevent access to unauthorised personnel. Do not attempt to take action without suitable protective clothing - see section 8 of SDS. Turn leaking containers leak-side up to prevent the escape of liquid.

#### Environmental precautions

Do not discharge into drains or rivers. Contain the spillage using bunding.

#### Clean-up procedures

Clean-up should be dealt with only by qualified personnel familiar with the specific substance. Absorb into dry earth or sand. Transfer to a closable, labelled salvage container for disposal by an appropriate method.

#### Reference to other sections

Refer to section 8 of SDS.

## 7. Handling and Storage

[www.rxmarine.com](http://www.rxmarine.com)

#### Handling requirements

Avoid direct contact with the substance. Ensure there is sufficient ventilation of the area. Do not handle in a confined space. Avoid the formation or spread of mists in the air.

#### Storage conditions

Store in a cool, well ventilated area. Keep container tightly closed.

#### Suitable packaging

Must only be kept in original packaging.

#### Specific end use(s)

No data available.

## 8. Exposure controls and personal protection

[www.rxmarine.com](http://www.rxmarine.com)

### Exposure controls

Engineering measures	Ensure there is sufficient ventilation of the area.
Respiratory protection	Self-contained breathing apparatus must be available in case of emergency.
Hand protection	Impermeable gloves.
Eye protection	Tightly fitting safety goggles. Ensure eye bath is to hand.
Skin protection	Impermeable protective clothing.

## 9. Physical and chemical properties

[www.rxmarine.com](http://www.rxmarine.com)

State	Liquid
Colour	Yellow
Odor	Characteristic odour
Oxidising	Non-oxidising (by EC criteria)
Solubility in water	Soluble
Viscosity	Viscous
Boiling point/range°C	100
pH	2002000

### ALKYL DIMETHYL BENZYL AMMONIUM CHLORIDE

ORL	RAT
-----	-----

### ORTHOPHOSPHORIC ACID...100%

### Relevant hazards for substance

Hazard	Route
--------	-------

Skin corrosion/irritation	DRM
---------------------------	-----

Serious eye damage/irritation	OPT
-------------------------------	-----

## Symptoms / routes of exposure

Skin contact	Blistering may occur. Progressive ulceration will occur if treatment is not immediate.
Eye contact	Corneal burns may occur. May cause permanent damage.
Ingestion	Corrosive burns may appear around the lips. Blood may be vomited. There may be bleeding from the mouth or nose.
Inhalation	There may be shortness of breath with a burning sensation in the throat. Exposure may cause coughing or wheezing.
Delayed / immediate effects	Immediate effects can be expected after short-term exposure

## 12. Ecological information

[www.rxmarine.com](http://www.rxmarine.com)

Persistence and degradability	Biodegradable.
Bioaccumulative potential	No bioaccumulation potential.
Mobility	Readily absorbed into soil.
PBT identification	This product is not identified as a PBT/vPvB substance.
Other adverse effects	Negligible ecotoxicity.

## 13. Disposal considerations

[www.rxmarine.com](http://www.rxmarine.com)

Waste treatment methods	
Disposal operations	Transfer to a suitable container and arrange for collection by specialised disposal company.
NB	The user's attention is drawn to the possible existence of regional or national regulations regarding disposal.

## 14. Transport information

[www.rxmarine.com](http://www.rxmarine.com)

Transport class	This product does not require a classification for transport
-----------------	--

## 15. Regulatory information

[www.rxmarine.com](http://www.rxmarine.com)

Safety, health and environmental regulations/legislation specific for the substance or mixture	
Specific regulations	Not applicable.
Chemical Safety Assessment
