Odour

Characteristic odour.

Appearance

Liquid, pale yellow, soluble in water.

Contact with eyes

Causes irritation.

Contact with skin

In cases of severe exposure, irritation may develop.

Inhalation

Vapours or aerosols may cause irritation of eyes, nose and respiratory tract.

Ingestion

The ingestion of significant quantities may cause gastro-intestinal disturbances.

Contact with skin

Remove contaminated clothing immediately and drench affected skin with plenty of water. Then wash with soap and water Seek medical advice if necessary

Contact with eyes

If substance has got into eyes, immediately wash out with plenty of water for at least 15 minutes .Obtain immediate medical attention Ingestion, Never give anything by mouth to an unconscious person Give plenty of water to drink

Ingestion

Never give anything by mouth to an unconscious person . Give plenty of water to drink . Obtain immediate medical attention

Inhalation

Remove patient to fresh air. Keep warm and at rest, in a half up right position. Loosen clothing. Seek medical attention if irritation persists

General

In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible)(S45)

Fire-fighting measures

Smoke from fires is irritating Not flammable. In case of fire use extinguishing media appropriate to surrounding conditions

Personal Precautions

Wear protective clothing as per section 8

Environmental Precautions

No special precautions are required for this product Immediate Actions. Shut off source of leak if safe to do so

Clean Up Actions

Absorb spillage in inert material and shovel up. Flush spill area with copious amounts of water

Handling

The usual precautions for handling chemicals should be observed. Eyewash bottles should be available - See Section 8.

Storage

Keep only in the original container in a cool, well ventilated place (S3/9/49) Protect from frost.

Exposure Limits

There are no recommended or established controls for this product.

Exposure controls

No special ventilation is required unless the product is used in a spray form.

Occupational exposure controls

Wear suitable protective clothing, including eye/face protection and gloves (plastic or rubber are recommended) No respiratory protection is required unless subject to contact with substance mist.

Odour

Characteristic odour

Appearance

Liquid, pale yellow, soluble in water

pH

10.5 - 11.5 at 5 - 10 % concentration

Boiling point

>100 °C at 760 mm / Hg

Vapour pressure

not known

- This article is considered stable under normal conditions
- See Section 5

Toxicological information

No experimental data available Inhalation.

Vapours or aerosols may cause irritation of Eyes, Nose and Respiratory tract.

Contact with skin

In cases of severe exposure, redness and irritation may develop.

Contact with eyes

Causes irritation.

Ingestion

May cause gastro-intestinal disturbances

Carcinogenicity

No evidence of carcinogenic effects.

Ecotoxicity

This product does not contain ingredients which are classified in the EU as dangerous for the environment.

Mobility

Completely soluble in water

Persistence and Biodegradability

Its main ingredients will either dissolve rapidly and dissociate in water or are readily/inherently biodegradable.

Bioaccumulation Potential

Bioaccumulation of the components in this product is insignificant. Other Adverse Effects

No environmental problems are expected when the product is used / handled correctly.

Classification

This material and/or its container must be disposed of as hazardous waste EU Waste class

Disposal considerations

Do not discharge into drains or the environment, dispose to an authorised waste collection point Disposal should be in accordance with local, state or national legislation

- Not classified as hazardous for transport

Risk Phrases

Irritating to eyes (R36)

Safety Phrases Irritant

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice (S26) Wear suitable gloves and eye/face protection (S37/39)

Text of R and S phrase codes used in this safety data sheet:- R34: Causes burns; R36: Irritating to eyes; R37: Irritating to respiratory system; R41: Risk of serious damage to eyes. The information provided about the product on this Safety Data Sheet has been compiled from knowledge of the individual constituents. The data given here is based on current knowledge and experience. This Safety Data Sheet describes the product in terms of safety requirements and does not signify any warranty with regard to the product's properties. The data given here only applies when product used for proper application(s). The product is not sold as suitable for other applications - usage in such may cause risks not mentioned in this sheet. Do not use for other application(s) without seeking advice from manufacturer.

DISCLAIMER OF LIABILITY : The information in this SDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
