

Product Name	RXSOL-19-1537-020
Product Type	Emulsifier 4.5 Mole

Company Details:

RX MARINE INTERNATIONAL  
105, A wing , BSEL , TECH PARK.  
VASHI ,NEW BOMBAY 400703 INDIA

Phone      +91 22 65113333 / 5555 / 9999 / 27815540      Fax      +91 22 2781 1318 ::AOH :0091 9821214367      Email

Chemical Name

CAS Number

WT. %

Nonyl Phenol Ethoxylate Poly(oxy-1,2-ethanediyl), alpha-(4- nonylphenyl)-omega-hydroxy

127087-87-0

97-99

Dinonylphenyl polyoxyethylene

9014-93-1      1-2

Polyethylene glycol

25322-68-3      1-2

Hazard description: Not applicable.

Information concerning particular hazards for human and environment: Not applicable.

General information      No special measures required.

After inhalation

Supply fresh air; consult doctor in case of complaints.

After skin contact

Generally the product does not irritate the skin.

After eye contact

Rinse opened eye for several minutes under running water.

After swallowing

If symptoms persist consult doctor.

**Suitable extinguishing agents:**

CO<sub>2</sub>, powder or water spray. Fight larger fires with water spray or alcohol resistant foam.

**Protective equipment:** No special measures required.

Person-related safety precautions: Not required.

Measures for environmental protection: No special measures required.

Measures for cleaning/collecting: No specific measures. Contain spill

Additional information: No dangerous substances are released

**Handling:**

Information for safe handling:

**Handling:**

Information for safe handling: No special requirement

Information about fire - and explosion protection: No special measures required.

**Storage:**

Requirements to be met by storerooms and receptacles: No special requirements.

Information about storage in one common storage facility: Not required.

Further information about storage conditions: None.

Information about fire - and explosion protection: No special measures required.

**Storage:**

Requirements to be met by storerooms and receptacles: No special requirements.

Information about storage in one common storage facility: Not required.

Further information about storage conditions: None.

Additional information about design of technical facilities: No further data; see item 7.

Ingredients with limit values that require monitoring at the workplace: Not required.

**Additional information:** The lists valid during the making were used as basis.

**Personal protective equipment:**

**General protective and hygienic measures:**

The usual precautionary measures are to be adhered to when handling chemicals.

**Respiratory protection:** Not required.

**Protection of hands:**

The glove material has to be impermeable and resistant to the product/ the substance/ the preparation. Due to missing tests no recommendation to the glove material can be given for the product/ the preparation/ the chemical mixture. Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation

**Material of gloves**

The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer.

**Penetration time of glove material**

The exact break through time has to be found out by the manufacturer of the protective gloves and has to be observed.

**Eye protection:** Not required.

General Information

Form

Liquid

Colour

Colourless

Odour

Characteristic

Change in condition

Melting point/Melting range

Undetermined.

Boiling point/Boiling range

Undetermined.

Flash point

218°C

Ignition temperature      240°C

Danger of explosion

Product does not present an explosion hazard.

Specific Gravity      1.029      Solubility in / Miscibility with water at 20°C      Complete g/l

Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.

Dangerous reactions No dangerous reactions known.

Dangerous decomposition products: No dangerous decomposition products known.

Acute toxicity:      Primary irritant effect:      on the skin      No irritant effect.      on the eye      No irritating effect.  
Sensitization      No sensitizing effects known.      Additional toxicological information: When used and handled according to specifications,  
the product does not have any harmful effects to our experience and the information provided to us. The substance is not subject to classification  
according to the latest version of the EU lists.

**General notes:** Water hazard class 1 (German Regulation) (Assessment by list): slightly hazardous for water  
Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

**Product:** Recommendation Smaller quantities can be disposed of with household waste.

**Uncleaned packaging:** Recommendation: Disposal must be made according to official regulations.

Maritime transport IMDG:

- Marine pollutant: No

**Labelling according to EU guidelines:**

Observe the general safety regulations when handling chemicals. The substance is not subject to classification according to EU lists and other sources of literature known to us.

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.

**DISCLAIMER OF LIABILITY :** The information in this SDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
