Product Name	RXSOL-19-1567-210
Product Type	Di Basic Ester

Company Details:

RX MARINE INTERNATIONAL 105, A wing , BSEL , TECH PARK. VASHI ,NEW BOMBAY 400703 INDIA

Phone +91 22 65113333 / 5555 / 9999 / 27815540 Fax +91 22 2781 1318 :::AOH :0091 9821214367 Email

Chemical Name

CAS Number

EC Number

dimethyl adipate

627-93-0

211-020-6

Hazard description: Not applicable.

General information No special measures required. After inhalation Supply fresh air; consult doctor in case of complaints. After skin contact Generally the product does not irritate the skin. After eye contact Rinse opened eye for several minutes under running water. After swallowing If symptoms persist consult doctor. Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions. Protective equipment: No special measures required.	
Supply fresh air, consult doctor in case of complaints. After skin contact Generally the product does not irritate the skin. After eye contact Rinse opened eye for several minutes under running water. After swallowing If symptoms persist consult doctor.	General information No special measures required.
After skin contact Generally the product does not irritate the skin. After eye contact Rinse opened eye for several minutes under running water. After swallowing If symptoms persist consult doctor.	After inhalation

Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions.	After swallowing
Suitable extinguishing agents: Use fire extinguishing methods suitable to surrounding conditions.	
	If symptoms persist consult doctor.

Information concerning particular hazards for human and environment: Not applicable.

Person-related safety precautions: Not required.

Measures for environmental protection: Do not allow to enter sewers/ surface or ground water.

Measures for cleaning/collecting: Collect for disposal

Additional information: No dangerous substances are released.

Handling:

Information for safe handling:

Handling:

Information for safe handling: No special requirement

Information about fire - and explosion protection: No special measures required.

Storage

Requirements to be met by storerooms and receptacles: No special requirements.

Information about storage in one common storage facility: Not required.

Further information about storage conditions: None.

Information about fire - and explosion protection: No special measures required.

Storage:

Requirements to be met by storerooms and receptacles: No special requirements.

Information about storage in one common storage facility: Not required.

Further information about storage conditions: None.

Additional information about design of technical facilities: No further data; see item 7.

Ingredients with limit values that require monitoring at the workplace: Not required.

Additional information: The lists valid during the making were used as basis.

Personal protective equipment:

General protective and hygienic measures: The usual precautionary measures are to be adhered to when handling chemicals.

Respiratory protection: Not required.

Protection of hands:Protective gloves The glove material has to be impermeable and resistant to the product/ the substance/ the preparation. Due to missing tests no recommendation to the glove material can be given for the product/ the preparation/ the chemical mixture. Selection of the glove material on consideration of the penetration times, rates of diffusion and the degradation

Material of gloves: The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer.

Penetration time of glove material:

Eye protection:Not required.

Boiling po	int/Boiling range			

The exact break through time has to be found out by the manufacturer of the protective gloves and has to be observed.

109/19mbar°C
Flash point
107°C
Ignition temperature 465°C
Danger of explosion
Product does not present an explosion hazard.
Explosion limits: Lower 1.7 Vol % Upper 7.6 Vol % Vapour pressure at 20°C 8 hPa Density at 20°C 1.062 g/cm³ Solubility in / Miscibility with water at 20°C 5.3% w/w
Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications. Dangerous reactions No dangerous reactions known. Dangerous decomposition products: No dangerous decomposition products known.
Acute toxicity: Primary irritant effect: on the skin No irritant effect. on the eye No irritating effect. Sensitization No sensitizing effects known.
Additional toxicological information: When used and handled according to specifications, the product does not have any harmful effects to our experience and the information provided to us.
The substance is not subject to classification according to the latest version of the EU lists.
General notes: Water hazard class 1 (German Regulation) (Assessment by list): slightly hazardous for water Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

Product: Recommendation Smaller quantities can be disposed of with household waste. Uncleaned packaging:
Recommendation: Disposal must be made according to official regulations.
Maritime transport IMDG:
Marine pollutant: No
Labelling according to EU guidelines:
Observe the general safety regulations when handling chemicals. The substance is not subject to classification according to EU lists and other sources of literature known to us.
Safety phrases:
24/25 Avoid contact with skin and eyes.
This information is based on our present knowledge. However, this shall not constitute a guarantee for anys pecific product features and shall not
establish a legally valid contractual relationship.
DISCLAIMER OF LIABILITY :The information in this SDS was obtained from sources which we believe are reliable. However, the information is
provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the
product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly
disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This
MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
